CAPABILITY SUMMARY

183rd & Webster Federal Solutions LLC provides business-to-business quality assurance, medical records review, documentation analysis, compliance support, and operational services for federal healthcare and disability compensation programs. We support federal agencies and prime contractors by improving documentation quality, reducing rework, strengthening audit readiness, and increasing workflow consistency through responsive, scalable remote support.

SCOPE NOTE Services are provided to authorized organizations and do not include claimant representation, legal advice, or advocacy services.

CORE COMPETENCIES

- Disability Benefits Questionnaire (DBQ) Quality Assurance
- Medical Records & Evidence Review
- Documentation Quality Control & Deficiency Identification
- Disability Compensation Claims-Cycle Support (B2B)
- Federal Healthcare Compliance Support
- Administrative & Program Support
- Policy, Procedure & SOP Development
- Process Improvement, Workflow Optimization & Remote Surge Support

TYPICAL DELIVERABLES

- QA findings, issue logs, and documentation deficiency reports
- Documentation review results and corrective-action recommendations
- Medical evidence review summaries and consistency findings
- Compliance checklists and audit-readiness support materials
- Draft SOPs, workflow documentation, and tracking artifacts
- Process-improvement and workload quality-control recommendations

DIFFERENTIATORS

- Veteran-owned business focused on federal mission outcomes
- Leadership with 7+ years of Veterans Benefits Administration experience
- GS-12 Rating Veterans Service Representative (RVSR) experience
- Experience within the Veterans Service Center (VSC) and Decision Review Operations Center (DROC)
- Specialized knowledge of disability compensation documentation and DBQs
- Quality-driven approach emphasizing accuracy, consistency, and compliance
- Secure Microsoft 365 collaboration with scalable nationwide support

RELEVANT EXPERIENCE

Company leadership brings more than seven years of experience supporting U.S. Department of Veterans Affairs, Veterans Benefits Administration operations. Experience includes disability compensation claims adjudication, medical evidence analysis, DBQ review, documentation quality assurance, benefits eligibility analysis, compliance-focused review activities, administrative operations, and process improvement.

MARKETS SUPPORTED
